NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE PERIOD 3 NOVEMBER 2014 TO 30 NOVEMBER 2015

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover and revenue recognition

The turnover shown in the profit and loss account represents the value of services performed during the period. A sale is recognised at the point where the service is provided to the customer.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over estimated useful life.

Equipment and Fittings - 15 % on cost

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax.

Deferred tax assets are recognised only to the extent that the director considers that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Going concern

The financial statements have been prepared on the going concern basis which assumes the company will continue to operate for the foreseeable future. In order to do so the company will require the continued support of its director and creditors. The director has indicated he will continue to support the company for the foreseeable future and is confident of the continued support of the creditors.
