## Notes to the Financial Statements for the Year Ended 30 June 2017

### 1. STATUTORY INFORMATION

Irvine Rothnie Ltd is a private company, limited by shares , registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

### 2. ACCOUNTING POLICIES

**Basis of preparing the financial statements**
These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Turnover**
Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

**Tangible fixed assets**
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

**Taxation**
Taxation for the year comprises current and deferred tax. Tax is recognised in the Profit & Loss Account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Deferred tax**
Deferred tax is recognised in respect of all material timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.
