The notes on pages 3 to 5 form part of these financial statements.

C Webster & Sons Ltd.
Notes to the Financial Statements
For The Year Ended 31 December 2024

1. General Information

C Webster & Sons Ltd. is a private company, limited by shares, incorporated in Scotland, registered number SC520121 . The registered office is 2nd Floor, Belgrave Court, Rosehall Road, Bellshill, ML4 3NR.

2. Accounting Policies

2.1. Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

2.2. Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

2.3. Intangible Fixed Assets and Amortisation - Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2016, is being amortised evenly over its estimated useful life of four years.

2.4. Tangible Fixed Assets and Depreciation

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Fixtures & Fittings	15% on reducing balance
Computer Equipment	33% on cost

Tangible assets are initially recognised at cost which is the purchase price plus any directly attributable costs. Subsequently tangible assets are measured at cost less accumulated depreciation and impairment losses.

2.5. Financial Instruments

The company only has basic financial instruments.

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

Short term trade creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.6. Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

3. Average Number of Employees

Average number of employees, including directors, during the year was: 3 (2023: 3)
