Company Limited by Guarantee

Notes to the Abridged Financial Statements

Period ended 30 April 2017

1. General information

The company is a private company limited by guarantee, registered in Scotland. The address of the registered office is 4/5 Myles Farm Cottages, Tranent, East Lothian, EH33 2LE.

2. Statement of compliance

These abridged financial statements have been prepared in compliance with the provisions of FRS 102 Section 1A, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The abridged financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The abridged financial statements are prepared in sterling, which is the functional currency of the entity.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Revenue recognition

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer (usually on despatch of the goods); the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity; and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

Income tax

The taxation expense represents the aggregate amount of current and deferred tax recognised in the reporting period. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, tax is recognised in other comprehensive income or directly in equity, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

3. Accounting policies *(continued)*

Income tax *(continued)*

Deferred tax is recognised in respect of all timing differences at the reporting date. Unrelieved tax losses and other deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Plant and machinery - 25% straight line

4. Company limited by guarantee

The liability of each member is limited to £1, being the amount that each member undertakes to contribute to the assets of the Company in the event of its being wound up while they are a member or within one year after ceasing to be a member.

5. Staff costs

The average number of persons employed by the company during the period, including the director, amounted to 1.

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

The company delivers adventurous outdoor educational activities throughout East Lothian and further afield. Venturing Out transitioned to being a CIC in April 2016 after 6 years as a commercial business. During the financial year 2016-17, our activities have benefited the community in the following ways:

- We have received 2 funding awards from local area partnerships to deliver an outdoor learning programme in 2 of East Lothian's Primary Schools, both of which are SIMD level 2. This ongoing project is to work with children who do not learn well in the classroom and is directly tackling both a national and local priority of poverty related attainment.
- We have begun forming an amalgamated Voluntary Outdoor Learning Team with ELC Outdoor Learning which will now allow us the capability to deliver more cost-effective sessions for our core projects, in particular a disability provision.
- We have recently put out a survey for children with additional support needs in order to identify barriers for accessing adventurous activities and to help determine what provision is required. We have delivered a small number of disability sessions and are looking to begin regular provision from Spring 18.

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary.)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

The company's stakeholders are residents of East Lothian's community, who are living in poverty, have a disability and/or deemed vulnerable members of our society. Also, East Lothian Council departments and a variety of East Lothian organisations and wider community.

We have a partnership agreement with ELC Outdoor Learning Service and are supported by ELC Community Learning and Development Service. This partnered approach has allowed us to take advantage of funding available through Area Partnerships.

Venturing Out's Management Committee are consulted regularly at monthly meetings.
