The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2021.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2021 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

(a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and

(b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The notes form part of these financial statements

Balance Sheet - continued
31 March 2021

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 15 November 2021 and were signed on its behalf by:

Mr G Storey - Director

The notes form part of these financial statements

1. STATUTORY INFORMATION

Greenheads Holdings Limited is a private company, limited by shares , registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements
These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Turnover and revenue recognition
The turnover shown in the profit and loss account represents rental income receivable for the year.
Rent is recognised in accordance with the lease agreement.

Investments in subsidiaries
Investments in subsidiary undertakings are recognised at cost.

Investment property
Investment properties are shown at their fair value. Any surplus or deficit arising from changes in fair value are recognised in the profit and loss account for the year. A reduction in value due to fluctuation in the property market conditions is not considered to be permanent.

Deferred taxation is provided on any fair value surplus at the rate expected to apply when the property is sold and at the year end is included in the fair value reserve with the relevant change in fair value.

Financial instruments
Financial instruments comprise financial assets and financial liabilities which are recognised when the company become a party to the contractual provisions of the instrument. Financial instruments are classified as "basic" in accordance with FRS 102 and are accounted for at amortised cost using the effective interest method.The effective interest rate is the rate that exactly discounts estimated future cash flows over the life of the financial assets or liability to the net carrying amount on initial recognition. Discounting is not applied to short-term receivables and payables, where the effect is immaterial.

Financial assets at cost compromise bank, trade debtors and prepayments. Financial liabilities compromise accruals and other creditors.

continued...

2. **ACCOUNTING POLICIES - continued**

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Going concern

The financial statements have been prepared on the going concern basis. The director's going concern assessment includes the expected impact of COVID-19 to the company for a period of at least 12 months from the date of signing of these financial statements.

3. **EMPLOYEES AND DIRECTORS**
