Notes to the Financial Statements
for the Period 2nd October 2018 to 31st October 2019

1. **STATUTORY INFORMATION**

Adventures - Scotland Ltd is a private company, limited by shares, registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

I confirm that in accordance with the Financial Reporting Council's recommendations that I have carried out a rigorous assessment of the company and have reached a view after that assessment that the company is entitled to be considered a going concern and that these accounts properly reflect that status as a basis for preparation of the accounts.

In completing my assessment, I have considered a period of time which is greater than 1 year from today's date.

Based upon my assessment, I consider that the disclosure in the accounts is balanced, proportionate and clear and reflects the facts as established during my assessment of the next twelve months.

Turnover

Turnover is the amount derived from the ordinary activities of the company, after trade discounts and excluding value added tax.

Taxation

Taxation for the period comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

3. **EMPLOYEES AND DIRECTORS**

The average number of employees during the period was 1.

4. **CREDITORS: AMOUNTS FALLING DUE WITHIN ONE YEAR**

Taxation and social security
Other creditors
