The company runs Ullapool Unpacked C.I.C., a community interest company set up to help our community produce less waste. The company was incorporated on 26th April 2019. During the Financial year 2020-2021, the companies activities have benefited the community in the following ways:

- The company collaborated with a local fish shop to bring plastic free dried foods to the community during the start of the Covid 19 Pandemic. We were able to provide foods such as flour, pasta and rice which you could not buy elsewhere.
- Throughout the year we shared information on how to live more sustainably, recycle properly etc. This has benefited the community by providing education and empowering people to do more.
- We gave away free samples of the eco cleaning product 'soap nuts' which gave members of the community a chance to try a more sustainable and cheaper cleaning alternative.
- During December 2020 we produced and sold Cloth wraps for reusable gift wrapping. These were made from waste material from a local charity shop and provided a sustainable alternative to disposable wrapping paper.
- We Launched our crowdfunding campaign to raise funds to open a zero waste shop. We raised £2663.21 to go towards the set up of the shop which will benefit the community by providing an accessible, affordable and sustainable shop.
- We collaborated with local community owned Island, Isle Martin and sold over 60 blackcurrant plants. This benefits the community by offering a cheap, and nutritious food source.
- We did an interview with BBC ALBA, raising awareness on zero waste and sustainable practises.
- We secured over £30,000 worth of funding to open our zero waste shop for the community.
