Notes to the Financial Statements for the period ended 30 September 2022

1. Statutory information

The company is a private company limited by shares and registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

2. Compliance with applicable reporting framework

The financial statements have been prepared in compliance with FRS 102 Section 1A as it applies to the financial statements for the period and there were no material departures from the reporting standard.

3. Principal activities

The principal activity of the company during the year was to prepare for the launch its electric bicycle to the market in the EU.

4. Accounting policies

Revenue recognition policy

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have transferred to the buyer. Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs.

Foreign currency translation and operations policy

Transactions in foreign currencies are initially recognised at the rate of exchange ruling at the date of the transaction. At the end of each reporting period foreign currency monetary items are translated at the closing rate of exchange. Non-monetary items that are measured at historical cost are translated at the rate ruling at the date of the transaction. All differences are charged to profit or loss.

Going concern

These financial statements have been prepared in accordance with the provisions of section 1A "Small Entities" of FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The company's financial statements have been prepared on the going concern basis which assumes that the company will continue in operational existence for the foreseeable future on the grounds that the Director will continue to financially support the company until such time as the business achieves financial viability. The company financial statements do not reflect any adjustments that would be required if they were to be prepared on a basis other than the going concern basis.
